

Dear Parents:

Please join us on March 27th 2:30-4:30pm for a fundraiser for Haiti earthquake cosponsored by CCCC and a group of children and their parents. There will be performances by some accomplished stars: National and state champions of rhythmic gymnastics, young musicians at the Boston Youth Symphony Orchestra, and many more... Cheer for our children's awareness to the world around them and feel good about making a difference through their effort!
