

## **Math Olympiads Class**

### **For the Math Contests during 2011-2012 school year**

The Cambridge Center for Chinese Culture is going to offer Mathematical Olympiads class preparation and contests for the school year Fall 2011- Spring 2012. The class offered is for Elementary Division, grade 4-6. This is the great opportunity for students to get stimulating enthusiasm and a love of math, to learn major strategies for problem solving, to learn logic thinking and critical reasoning, to get learn important Mathematical concepts, to have fun and build great friendship and enjoy the academic learning and communication.

The class format is that students receive knowledge and skills via lectures providing a variety of math solving strategies and will obtain a deeper understanding which will benefit students in their academic future and career life. The class includes open discussion of complex math problems and presentation, demonstration in class; this provides students a great learning environment for the satisfaction, joy and thrill of meeting challenges. The students will receive various worksheets and problem solving materials. There are total 5 contests through out the year, at the end of school year, all the students will get certificates, 50% students will get award.

Math is going Olympiads, Please join our team.

Place: Classroom 12 CCCC Waltham address

Class time: 6:00pm – 7:00 pm Sundays

Class Term: Dec 4<sup>th</sup> 2011 --- April 29<sup>th</sup> 2012

Tuition: \$170.00

Question: 781-788-8558

## 数学奥林匹克开课

剑桥中国文化中心准备开设数学奥林匹克练习和竞赛课，这门课是针对四到六年级的在校学生。这是让学生加深对数学的兴趣，学习重要的数学知识和概念，提高逻辑思考和解决问题的能力的一个很好的机会。这门课鼓励同学们主动思考，积极发言，加强交流，建立良好的交往和学习的环境。让同学们体验到学术交流的滋味。

课程开课的方式以学生通过讲座，得到数学知识和技巧，课上展开公开讨论的方式，使同学们有机会讲述解决问题的方法，演示问题的答案。讲稿和习题会提供给大家。整个课程一共有五次竞赛。所有学生都会拿到奥林匹克证书，很多学生还会拿到其它奖品。

地点：12号教室 剑桥中国文化中心Waltham 地址

时间：6:00pm – 7:00 pm 星期天

课时：12/4/2011 – 4/29/2012，

学费：\$170.00
